

# **BEST IN THE DESERT RACING ASSOCIATION**

## **LOW, NARROW UNDERPASS**

There will be one (1) Underpass under US-95 for ALL race vehicles to use. It is ONLY 7' tall x 10' wide. The Underpass is at Mile Marker 166. If your race vehicle is taller than 7' with your lights on, wait to put your lights on until after clear Pit 5 Klondike. There will be a checkpoint prior to the underpass if your vehicle is over 7' tall to escort your race vehicle around the underpass. Watch for the advance warning signs "Underpass Checkpoint Ahead" at approx. mm 165.
