Polaris RZR Silver State “150”

SPECIAL NOTICE for UTV’s

If you leave any TIRES and WHEELS out on the racecourse you will receive a MANDATORY ONE -HOUR TIME PENALTY. This rule is strictly enforced, no more warnings! Find a better strap down system!

Leaving your Tires & Wheels is no different than littering. I have NO manpower or the means to pick up tires & wheels. It has become such a problem for the sweep team to pick up broken rims & tires.

Wheels MUST BE STAMPED with your Race Vehicle Number on them at Tech Inspection; you are not allowed to remove these markings. Each wheel on the vehicle including all spares must have the vehicle's number stamped in each wheel within 2 inches of the valve stem. The stamped number must be a minimum 1/4 inch tall.

This is the only way to control the problem of you leaving your Tires & Wheels out in the desert.

DO NOT LITTER !!!
