

Hello Racers!

BFGoodrich Tires will once again be providing on-site tire service, race pit support, and posting contingency for all the BITD races!

BFGoodrich Tires pit support is a free service for teams running on BFGoodrich tires. The BFGoodrich support trailer will be on site at contingency providing tire mounting services. After contingency, the service trailer will then move out to main pit for pit service during the race.

Stop by the BFGoodrich support trailer at contingency row **at noon** to register for pit support. Our crew will sign you up and will provide any last-minute details or information. We can also haul any of your spare tires or parts out to our pit location. Please be sure to arrange with the pit leader to get your spares picked up after the race.

Plan with your fuel supplier to deliver fuel to our pit location unless you have made other arrangements. BFGoodrich **WILL NOT** haul any fuel for any team.

To order BFGoodrich Race tires, decals, or uniform patches please call **1-800-RACEBFG (722-3234)**.

BFGoodrich is posting **\$10,000** to win the Mint 400 overall, and **\$5,000** to win Vegas to Reno overall if racing on our tires!!!!

Good luck this season! We look forward to seeing you at the races and at the finish line!

Your friends at BFGoodrich.
