

Hello Racers!

BFGoodrich Tires will once again be providing on-site tire service, race pit support, and posting contingency for all the BITD races!

BFGoodrich Tires pit support is a **free service** for teams running on BFGoodrich tires. The BFGoodrich support trailer will be on site at contingency providing tire mounting services.

BFGoodrich pits will be on location with 2 pits for this year's Vegas to Reno Race:

- BFG Pit 1 (BITD Pit 5) Tonopah – RM 155 Interval – 155 miles
- BFG Pit 2 (BITD Pit 11) Rawhide – RM 394 Interval – 239 miles
- Finish line – Dayton – RM 505 Interval – 111 miles

We understand you will need to provide your own pit between pit 1 and pit 2 so please plan your race accordingly.

Stop by the BFGoodrich support trailer at contingency row at noon on Thursday August 15th to register for pit support. Our crew will sign you up and will provide any last-minute details or information. We can also haul any of your spare tires or parts out to our pit location.

Please plan to pick up all your parts from Pit 1 after your race vehicle is serviced. The Rawhide pit will come to Reno and return supplies in the parking lot of **Sparks Nugget at 10am** on Saturday August 17th. Please plan to have someone from your team be there to pick up any remaining pit items. This will be your only chance to get your supplies back.

Plan with your fuel supplier to deliver fuel to our pit location unless you have made other arrangements. BFGoodrich **WILL NOT** haul any fuel for any team.

To order BFGoodrich Race tires, decals, or uniform patches please call **1-800-RACEBFG (722-3234)**.

Good luck! We look forward to seeing you at the race and at the finish line!

Your friends at BFGoodrich.
