

Team Ford Pole Award - Past Winners

Best In The Desert runs a Time Trial event prior to each race and it determines the start position for Class 1400 Trick Trucks and Class 1500 Unlimited cars. Steve Olliges, President of Team Ford, presents the winner of the prestigious *Team Ford Pole Award* with a \$1000 cash prize. Steve has been a great supporter of Best In The Desert and off-road desert racing; he is constantly thinking of ways to make the sport better and more exciting for everyone involved in the sport! The Time Trials is just one more reason why racers love racing Best In The Desert; just one more thing that sets Best In The Desert apart from the other guys!
