FROM THE MAYOR OF PARKER

**BEST IN THE
DESERT**
RACING ASSOCIATION

Greetings Racers and Fans

Happy New Year and thank you for choosing to attend Best in the Desert's BlueWater Resort & Casino Parker 425 presented by Impact Off-Road Race! We are thrilled that this sport is on the rise and that fans and racers are so enthusiastic.

After the Time Trials on Thursday, February 1, 2018 the 10th Annual Parker 425 "Downtown Experience" will be in full swing by noon. Please come visit our downtown merchants and meet the racers and some of our local folks. We put this party together for everyone! There will be food, live music and other vendors. We are super-excited to be bringing even more race vehicles down to this event!

I love to see the kids interacting with the racers! In Parker, our kids play all the sports just like other kids around the country. But I know that a lot of our kids aspire to be off-road racers more than in any other

community! Off-road racers are their heroes! On Wednesday, January 31, 2018 join us at Pop Harvey Park from 2 pm – 5 pm for the PAACE Youth Off-Road Experience! Kids will meet the racers and have a great time getting photos and autographs with the drivers.

We hope you enjoy your time in our community and are able take part in all of the events that make this race so great! We want to live up to Best in the Desert, Founder Casey Folks' description of the town: "Parker, Arizona: The Off-Road Capital of the USA!"

DARYL FOLKS AWARDED OFF-ROAD MOTORSPORTS HALL OF FAME 2017 IMPACT AWARD

**BEST IN THE
DESERT**
RACING ASSOCIATION

Best in the Desert co-owner Daryl Folks was awarded the Off-Road Motorsports Hall of Fame "Impact Award" at their annual Hall of Fame induction ceremony at the South Point Hotel on October 30, 2017, for his contribution to the sport of off-road racing. Daryl was

RAC steering committee helping draft land use policy to the benefit of all off-roaders.

"I'm very honored to have been selected to win this prestigious award," commented Daryl. "In all honesty however this award belongs equally to my brother

nominated for his unrelenting dedication and commitment to the sport not only as co-owner of Best in the Desert but also for his work with Trac-On Trail Rides and the Nevada BLM. Daryl has been instrumental in working with the BLM and its

Bryan, and the entire Best in the Desert staff. Without their hard work and dedication none of this would be possible", Daryl continued. "We are all doing our best to honor the legacy that my father established for Best in the Desert."

LIGHTER. STRONGER. FASTER.

For 100 years General Tire has been an innovation leader, introducing new styles and technology to adapt to changing needs and protect what we love with top quality products designed for every condition. Founded on September 29, 1915 by William F. O'Neil, "W.O." and his partner, Winfred E. Fouse, General Tire entered the tire business when more than 300 companies were making tires.

"W.O." decided to pass up the original equipment market to produce a premium replacement tire, the oversized General Jumbo. An industry original, the pneumatic truck tire cost more and was worth more than the competition. However, the establishment of a nationwide team of fiercely loyal, aggressive, competent and independent dealers enabled General Tire to meet the challenge of making it the unquestioned premium tire producer in the field.

In the mid-1920's General Tire & Rubber Company engineers invented the low-pressure General Balloon Jumbos. Requiring only 12 pounds of air pressure, the Balloon Jumbos revolutionized all tire manufacturing concepts. The origination of rubber flaps for truck tires in 1928 and the creation in 1931 of a complete line of low pressure truck tire balloons, firmly positioned General Tire as a major truck tire manufacturer.

Fast forward to today and General Tire continues to showcase their engineering prowess in the desert throughout the Best In The Desert (BITD) Series. The Team GT lineup debuts in Parker, AZ at the "Parker 425" and the efforts are led by top-contending teams poised to claim championships in their respective classes.

"I feel we have a really strong Best In The Desert lineup this year," said Travis Roffler, director of marketing for General Tire. "The level of experience and depth of talent is remarkable. We're proud to be represented by each and every one of our drivers and teams and we wish them all the best of luck this year."

Leading the way in the 1400 Class are three teams capable of dominating any desert on the schedule. Camburg Racing, Jim Beaver and C.J. Hutchins return and are looking to add to the win column in 2018. Chase Motorsports also returns in 6100 with PJ Guglielmo

representing General Tire in the 1500 class. Jeff Proctor will hold it down in the 7200 class while General Tire continues its rich history in the Jeepspeed class.

Born from competition, Team GT vehicles will race on the signature red letters, the GRABBER X3 tires, which provide the durability, grip and comfort needed to navigate the variety of terrain presented to these teams across the southwest. In fact, Mikey Childress, tested the original GRABBER tires before the tire was adapted in competition and then introduced to the public in 2006. Today, the next evolution of red letter GRABBERS, the GRABBER X3 remains a favorite among off-road racers.

The 2018 season looks to be a great one as Team GT's robust lineup provides plenty of opportunity for wins and championships. For more information on Team GT or the General Tire line of tires, visit www.generaltire.com.
