

# BEST IN THE DESERT RACING ASSOCIATION

Dear Best In The Desert Racers!

Tensor Tire PARKER "250"  
Presented by Polaris

First, let me say, what a way to start the 2020 ~ "The American Off-Road Racing Series" by racing the **Tensor Tire Parker "250" presented by Polaris**. Best In The Desert has always held the Parker 250 near and dear to our hearts but most especially since 2017 where our Founder, Casey Folks waved his final green flag before returning home.

For the 2020 **Tensor Tire Parker "250" presented by Polaris** we expect the entire event to be bigger than it has ever been. With the addition of the Triple Crown Series, the return of the short course race, the always exciting youth race and most importantly, the 80 mile loop race for motorcycles, quads and UTV's. With all these ingredients combined, the **Tensor Tire Parker "250"** is going to be very exciting.

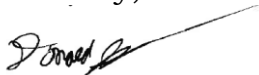

Over the past seventeen years we have had very successful events in Parker and for 2020 there will be no exception!!! **Best In The Desert** is very excited to announce our new **Title Sponsor, Tensor Tire**, a company that makes wheels for UTV's. The event is now the **Tensor Tire Parker "250" presented by Polaris!** I think it is very important that all of our racers realize just how important it is to our sport to have industry support like **Tensor Tire and Polaris**. I believe if we want the sport of Motorcycle/Quad/UTV off-road racing to continue and grow we must have the quality sponsorship involvement with companies like **Tensor Tire and Polaris** who are industry driven. Not only is this an exciting race in the State of Arizona, but the **Tensor Tire Parker "250" presented by Polaris** will be the kick-off for an **EXCITING 2020 RACING SEASON!** The event will be held in Parker, Arizona, an approximately 80-mile loop with some of the best spectating areas available in off-road racing today. Again, the **PARKER PYTHON** will be a big part of the event. The **Parker Python** will be a rough section of jumps in front of hundreds of cheering spectators, it is a GREAT section that you will race to get back to! Once again, we have opened up Shea Road, an area considered to be a "Spectators Paradise!" Friends, family and off-road enthusiasts will be able to watch you race with all of the fierceness you can muster! Your friends, family and fans can camp and watch the **BEST OF THE BEST all day long!** You will be able to watch the **BEST Motorcycle, Quad and UTV racers** in the country. Definitely a **"Showdown In The Desert!"**

The Parker events have a thirty year history of being a **ROUGH** and **TOUGH** long distance course, *and this year is no different!* The **Tensor Tire Parker "250" presented by Polaris** will hold true to its reputation, it is one of the toughest off-road race courses in our 2020 line up! But remember, that's why you're racing, for the **CHALLENGE** of beating the tough desert terrain, you're racing to feel the satisfaction of completing a course that has a history like the one in Parker, AZ!

**Here are a few things to think about!** How many long distance team races are there in the United States? Answer: Four! Next question, what organization puts them on? Easy Answer: Best In The Desert! Next question, why does Best In The Desert promote **LONG DISTANCE TEAM DESERT RACES?** Answer: Because Best In The Desert has a passion for the sport, and we feel you, the racer, should have the opportunity to participate in the sport you love too! Don't miss your opportunity to be a part of long distance off-road races!
