FROM THE MAYOR OF PARKER

**BEST IN THE

RACING ASSOCIATION

Greetings Racers and Fans

Happy New Year and thank you for choosing to attend Best in the Desert's BlueWater Resort & Casino Parker 425 presented by Impact Off-Road Race! We are thrilled that this sport is on the rise and that fans and racers are so enthusiastic.

After the Time Trials on Wednesday, January 22, 2020 the 12th Annual Parker 425 "Downtown Experience" will be in full swing by noon. Please come visit our downtown merchants and meet the racers and some of our local folks. We put this party together for everyone! There will be food, live music and other vendors. We are super-excited to be bringing even more race vehicles down to this event!

I love to see the kids interacting with the racers! In Parker, our kids play all the sports just like other kids around the country. But I know that a lot of our kids aspire to be off-road racers more than in any other community! Off-road racers are their heroes! On Thursday, January 23, check out the PAACE Youth Off-Road Experience display in the Event Expo at the BlueWater. Kids will meet the racers and have a great time getting photos and autographs with the drivers.

We hope you enjoy your time in our community and are able take part in all of the events that make this race so great! We want to live up to Best in the Desert, Founder Casey Folks' description of the town: "Parker, Arizona: The Off-Road Capital of the USA!"

Mayor Dan Beaver

Since 2010, the overall race winner of the *BlueWater Resort & Casino Parker "425"* is presented with the **Manny Esquerra Valor Award**. This prestigious award was established in recognition of Manny's legendary contribution to the sport of off-road desert racing. It is a perpetual trophy on permanent display at the BlueWater Resort & Casino. Every year, the overall race winner's name is added to the trophy. The winner also receives a replica trophy to commemorate their great accomplishment.

PRO-MOD FRONT BUMPER

Westin's Pro-Mod Front Bumper combines enhanced vehicle protection, with great looks. Pro-Mod's revolutionary lightweight modular design is uniquely engineered with outrigger reinforcement brackets to provide maximum front end protection without compromising on strength, integrity or durability.

The "high and tight" bumper profile creates a greater approach angle, which significantly improves off-road driving capabilities. The lightweight design also requires smaller shipping packages which dramatically reduces shipping costs. Pro-Mod bumpers feature a textured black finish with an e-coated base coat, providing long lasting corrosion protection from the elements. Once you see the Pro-Mod Front Bumper, the choice becomes obvious.

LIGHTWEIGHT MODULAR DESIGN PROVIDES BOTH STYLE AND PERFORMANCE WITHOUT SACRIFICING STRENGTH!

3.0 SHOCKS

2010-14 FORD RAPTOR

The Dirt Logic 3.0 shocks are constructed with a steel body and feature a Cerakote finish in tactical black for extreme durability. NitroSteel® 7/8" piston rods are utilized to repel rock chipping while providing superior corrosion resistance. Completing the blacked-out finish of these high-end Raptor shocks is the polished black anodized aluminum components. They offset the matte black Cerakote body for a subtle yet bold appearance.

Dirt Logic 3.0 Raptor shocks are available individually, with Upper Control Arms or with Fabtech's 4" Suspension system.

Dirt Logic 3.0 Shock Types Available

Front - Coilover shock w/ remote reservoir and compression adjuster

Rear - Triple Tube Bypass shock w/ Piggyback reservoir

Rear - Smooth Body shock w/ remote reservoir and compression adjuster
