All Pro UTV Races Will Be SuperCross Format With Heat Races,

LCQ's (Last Chance Qualifier) and Main Events

UTV Pro Unlimited/Pro Production (Prod.) Race (combined race)

- 1 Heat Race. 4 laps. Grand Prix Finish
- Top 7 from Unlimited transfer directly to Main Event. All others go to LCQ.
- Top 10 from Prod. transfer directly to Main Event. All others go to LCQ.
- 1 LCQ (Last Chance Qualifier) 3 laps. Grand Prix Finish
- Top 3 Unlimited transfer to Main Event from LCQ
- Top 5 Prod. Transfer to Main Event from LCQ
- Must Start Heat Race to qualify to race LCQ
- Start order for Unlimited Heat race will be determined by Top 5 from Previous race then based on random draw held on 3/4/2020
- Start order for Prod. Heat race will be determined by Top 10 from Previous race then based on random draw held on 3/4/2020
- Start Order for Main Event will be based on least amount of elapsed time on track from Heat race followed by least amount of time on track from LCQ. This will be done by Class not by time.
- Main Event. 5 laps. Grand Prix Finish

- Unlimited and N/A Heat Qualifiers will start in front of Unlimited and N/A LCQ Qualifiers for Main Event.
- Must complete combination of 4 laps to be considered a Finisher. Laps can be any combination between Heat Race, LCQ and Main Event.

UTV Turbo Race

- 2 Heat Races. 4 laps. Must start in designated heat race. No swapping heats. Grand Prix Finish
- Start order for Turbo Heat race will be determined by Top 10 from previous race. Those Top 10 will be put into a separate draw to determine which 5 race Heat 1 and Heat 2.
- All other start positions will be based on random draw held on 3/4/2020. They will be split as evenly as possible between Heat 1 and Heat 2.
- Top 10 from each Heat Race transfer directly to Main Event. All others go to LCQ.
- 1 LCQ (Last Chance Qualifier) 3 laps. Grand Prix Finish
- Top 5 transfer to Main Event from LCQ
- Must Start Heat Race to qualify to race LCQ.
- Main Event. 5 laps. Grand Prix Finish
- Start Order for Main Event will be based on least amount of elapsed time on track from Heat Races followed by least amount of time on track from LCQ.
- Turbo Heat Qualifiers will start in front of Turbo LCQ Qualifiers for Main Event.
- Must complete combination of 4 laps to be considered a Finisher. Laps can be any combination between Heat Race, LCQ and Main Event.

Points for Pro UTV Classes (updated 3/3/2020)

- **All UTVs that start their heat race will receive 30 points.**
- **UTVs that start the LCQ will receive 15 points**
- **UTVs that go straight to Main event receive 30 points`**
- **UTVS that advance from LCQ to Main event will receive 15 points**
- Position Points will be awarded by finish order from Main Event, then LCQ, then Heat Race. See below:
 - 1) Pro Turbo- 1st thru 25th from Main Event, 26th thru 60th (or greater) from LCQ then DNF's from Heat Races.
 - 2) Pro Unlimited - 1st thru 10th from Main Event, 11th thru 30th (or greater) from LCQ then DNF's from Heat Race.
 - 3) Pro Production- 1st thru 15th from Main Event, 16th thru 50th (or greater) from LCQ then DNF's from Heat Race.
- DNF points are determined by heat. If you DNF Main Event you will receive position points ahead of those in LCQ and Heat Race.
