A LONG TIME FAVORITE

IS **BACK**

THE AMERICAN CHALLENGE CONTINUES

Welcome back to Parker, Arizona and the final round of the 2020 Best In The Desert Adventure Series and \$67,000 MAXXIS Triple Crown.

The well-loved BlueWater Desert Challenge three-day race, dubbed the “American Challenge,” is back after a three-year hiatus.

Best In The Desert CMO, Bryan Folks said, “We are excited to be able to finish the year off strong and in Parker, Arizona where we have so many friends. I want to thank the community of Parker, Jim and Dan Beaver, and most especially the Colorado River Indian Tribes for working with us to help make this event happen. When we started this year, we had no idea we would face so many challenges, but in the end, it looks like we are going to have one of our most successful seasons ever. A big thank you to the Best In The Desert staff for never giving up on this event.”

Organizing the BlueWater Desert Challenge was possible because of the overwhelming and absolute support from the Parker, Arizona community, and the Colorado River Indian Tribes. Part of the condition in being able to hold the event on tribal land is that all competitors must comply with face mask requirements and social distancing.

Race Operations Manager Jeff Phillips said, “We are excited to see everyone in Parker. We have worked hard to create the best racecourse for racers, support crews, and spectators. We need everyone’s support to pull this event off, as we are guests of the Colorado Indian Tribal Council. Face masks and other COVID-19 safety protocols are required. We are confident the off-road racing community will rise to the occasion and help us make this a successful event.”

The BlueWater Desert Challenge will determine the winners of the year-end Best In The Desert Series Class Championships, the all-new Adventure Series which started with the VT Construction Silver State 300 Presented by Polaris RZR, and the MAXXIS Triple Crown.

\$67,000 of MAXXIS Triple Crown purse money, on top of regular Best In The Desert winning payouts and season bonuses, is on the line for BlueWater Desert Challenge champions.

Have a great, safe race and see you at the finish line!

WESTIN
ENGINEERED FOR ENTHUSIASTS
PRO-MOD FRONT BUMPER
Designed, Tested & Engineered in USA

LIGHTWEIGHT MODULAR DESIGN PROVIDES BOTH STYLE AND PERFORMANCE WITHOUT SACRIFICING STRENGTH!

FOR COMPLETE PRODUCT DETAILS PLEASE VISIT US AT
WESTINAUTOMOTIVE.COM | #ENGINEEREDFORENTHUSIASTS

PRO-MOD FRONT BUMPER

Westin's Pro-Mod Front Bumper combines enhanced vehicle protection, with great looks. Pro-Mod's revolutionary lightweight modular design is uniquely engineered with outrigger reinforcement brackets to provide maximum front end protection without compromising on strength, integrity or durability.

The "high and tight" bumper profile creates a greater approach angle, which significantly improves off-road driving capabilities. The lightweight design also requires smaller shipping packages which dramatically reduces shipping costs. Pro-Mod bumpers feature a textured black finish with an e-coated base coat, providing long lasting corrosion protection from the elements. Once you see the Pro-Mod Front Bumper, the choice becomes obvious.
