SPECIAL NOTICE for CARS / TRUCKS / UTV's

Leaving your Tires & Wheels is no different than littering. It is your responsibility to pick them up. It has become such a problem for the sweep team to pick up broken rims & tires.

ALL Wheels MUST BE STAMPED with your Race Vehicle Number at Tech Inspection; you are not allowed to remove these markings. Teams can stamp tires. Each wheel on the vehicle including all spares must have the vehicle's number stamped in each wheel within 2 inches of the valve stem. The stamped number must be a minimum 1/4 inch tall.

If you leave any **TIRES** and **WHEELS** out on the racecourse you will receive a **MANDATORY ONE -HOUR TIME PENALTY**.

This is the only way to control the problem of you leaving your Tires & Wheels out in the desert.

DO NOT LITTER!!! DO NOT LITTER!!!
