

2021 Vegas to Reno Time Trials Schedule

As you know this year's Vegas to Reno time trials will be broadcast live. Therefore, we will be running a very tight ship in order to accommodate the television production crew. Best In The Desert has gone through a great deal of expense, time and effort to make this possible. Please see the rules below and understand the importance of following the rules due to the nature of television broadcast necessities.

- Please be on time for your vehicle staging
- Please follow the guidance of the staging staff
- You will be allowed (1) site lap of the time trial course
 - This is not a pre-run lap
 - This is not a practice lap
- When you cross the finish line on your site lap, please do not go over **30 MPH**
 - This is the final verification that your transponder is working properly
- You are **not allowed** to stop during your site lap
- You must average a minimum of **30 MPH** during your site lap
 - Due to live broadcast scheduling
- If your vehicle has a mechanical problem, either during your site lap or during your qualifying lap, please pull your vehicle completely off of the course to allow the next vehicle to pass
