

Hello BITD Racers!

BFGoodrich Tires will once again be providing on-site tire service, race pit support, and posting contingency for the Best in the Desert races!

BFGoodrich Tires pit support is a COMPLIMENTARY SERVICE for teams running on BFGoodrich tires. The BFGoodrich support trailer will be on site at contingency providing tire mounting services for any last-minute service needs. BFGoodrich will also have a tire engineer on-site at contingency to help with tire pressure questions or any other technical question you may have about tires.

Stop by the BFGoodrich support trailer in contingency row to register for pit support. Our crew will sign you up and will provide any last-minute details or information. We can also haul any of your spare tires or parts out to our pit location. **Please be sure to arrange with the pit leader to get your spares picked up after the race.**

For the 2021 Vegas to Reno race, BFG will have 2 pit service set ups at:

- **BFG Pit 1** - BITD Pit 7 (Blair Jct.) – Race Mile 246.3 (you need to arrange your own 1st pit)
- **BFG Pit 2** – BITD Pit 11 (Rawhide) – Race Mile 378.0 – Interval 131.7
- **Finish** – Race Mile 489 – Interval 111.0 miles

Plan with your fuel supplier to deliver fuel to our pit location unless you have made other arrangements. BFGoodrich **WILL NOT** haul any fuel for any team.

- BFG pit 2 will bring out left over spares and parts to Reno on Saturday morning and will be in the parking lot of the Grand Sierra at 11am for post-race pit exchange

To order BFGoodrich Race tires, decals, or uniform patches please call **1-800-RACEBFG (722-3234)**.

Good luck! We look forward to seeing you at the finish line!
