

YOUTH 570 PROD

GENERAL REGULATIONS: Class entrants shall comply with all class and applicable general regulations. Note: The SCR abbreviations refer to the cross-reference listings in the front of this book and are part of the class rules. Where a conflict between the cross-referenced listings and a rule contained under this class occurs, the rule contained under this class has precedence.

YOUTH 570 PRODUCTION UTV CLASS DEFINITION

570 Stock Production class vehicles are to be built using production UTVs manufactured by registered companies (i.e. Polaris, Can-am, Artic Cat, Yamaha) that issue VIN numbers. Companies must produce a minimum number of 1000 units of that exact model and configuration, prior to being allowed to participate in this class at any BITD-sanctioned event. Driver must be at least 10 years old & no older than 14 years old on day of event from the day of the first Race of the 2023 Series. In order to qualify for a Series championship, the Driver will need to be age eligible as of the First Event of the Current Season. And will be allowed to race in that age group for the entirety of the year.
