STAY OFF THE PYTHON

PLEASE STAY OFF THE PARKER PYTHON with any vehicles – Motorcycles, Quads, UTV's, Cars/Trucks! The PARKER PYTHON IS NOT a play ground or practice area! Anyone caught will be subjected to a Time Penalty or DQ. STAY OFF THE PARKER PYTHON!!! PLEASE!!!

PLEASE CLEAN YOUR PIT AREAS

Please remember, the Driver of Record is responsible for their pits and their pit crew. Driver of Record, PLEASE start educating your pit crews to clean your pits. Leave your pit area spotless, leave the desert better than how you found it and think green! Bring lots of garbage bags with you and use them!!!

The pits must be clean this year or we are going to prohibit the use of lath, rebar, banner, track tape, and rope to mark pits. Again, the Driver of Record is responsible for your entire pit crew and you must check your pits for ALL garbage before you leave. If you leave this job up to someone else, and you leave prior to your pit being cleaned, you are still the one responsible. Make sure your pits are clean! We put dumpsters in the Main Pit, Midway Pit, and Cap Canal, please use them!!!

THANK YOU!!!
