

Best in the Desert – Drone Registration Form

All registered Media that will be utilizing a drone for filming, must register with this document prior to the event and participate in the Helicopter and Drone Safety Meeting prior to race day to ensure safety of all involved. Unregistered Drones / Operators will not be permitted to operate within the closure area of the event **Only FAA Registered operators will be permitted to operate**. All Drone Operators are required to have a spotter in order to operate their drone at any time for the safety of low flying helicopters involved in the event. All drones flying must remain in visual contact at all times.
