Special Notes:

This your first "Pit" Pit Stop, they have grocery stores, restaurants & fuel up stations. YOUR RACE IS JUST AS IMPORTANT AS THE ONE YOU ARE CHASING. You are traversing the desert and entering your "Chase Race." Don't get caught in the desert running out of fuel chasing your racer!

REMEMBER – Stop and patronize businesses along the race route, these rural towns of Nevada are supporters of the sport we love so dearly. We need to support them as they support us!
